

Dear *Almost, Maine* Auditionees,

First off, congratulations for auditioning for a play during these uncertain times. It's not easy, but you did it! It's a first for me to witness auditions for a play through an online platform, but you all did wonderful. Each of you has such a passion for this artform, which is needed now more than ever. You showed up and showed what potential the Whitefish Bay High School Theater Department has for this year and beyond. I don't just mean a potential for performing onstage, but a potential to work on a show via stage crew. I highly suggest that if I wasn't able to offer a role to you this time around that you still be part of our team. *Almost, Maine* is a surprisingly complex show that needs a full team of actors, designers, and builders to make it work. Thank you all for taking the time to learn, record, and submit for this show. I look forward to the adventures ahead!

All Best,

J.T. Backes, Director *Almost, Maine*

The first read-thru will be on Friday, September 11. We will first meet as a group in the auditorium at 3:45pm. Please bring a water bottle, your own hand sanitizer, notebook, and something to write with. Our Costume Designer, Christy Siebers, will be taking measurements during our read-thru.

NOTE FOR ENSEMBLE/UNDERSTUDIES

Ensemble roles will be utilized throughout the show. Understudies will be given a performance opportunity and rehearsal time. Understudies should attend the same rehearsals as the roles they understudy.

CAST BREAKDOWN

Ginette-Ingrid Stollenwerk

Glory-Hillary Paslaski
